Holiday Party & Pinewood Derby Car Cutting

We will be distributing the Pinewood derby cars at the Dec. 4th Den meetings. You can start planning your design now and mark up the car for the car cutting session on Dec. 18th. We'll have a band saw available (run by an adult) to make the rough cuts for the Scouts. We'll have the "rules" available at the Dec. 4th meeting also. Parents & Siblings who wish to race can purchase kits at the Scout shop or most hobby shops. We'll also have a Holiday party during the car cutting session with Cake and other refreshments.

Cary Christmas Parade

Pack 201 marches in the Cary Christmas parade as a group each year. Please mark your calendars for Saturday Dec 8th and plan to join the fun! We will have drinks and cookies afterward. All scouts are welcome to participate but must be accompanied by an adult. Parents and siblings are welcome to march with us. We'll probably assemble around 1pm. The parade starts at 2pm. Watch for more information.

T-Shirts

We have selected a new t-shirt design The winning design is a combination of 2 entries – from Ben Seifert and Matt Madden. Both will receive \$25 gift cards. We will be submitting the design for bids and ordering new shirts soon. Please be sure to fill in the sheet at the table with your Scouts/Leaders shirt size and any additional shirts you would order (Scout/Leader paid by the Pack, others approx. \$5.25 each).

Class 1 Medical forms

Since the BSA has removed the health information portion of the application, we now need to collect the Class 1 medical form for each Scout. If you haven't filled this out, please do so ASAP. Only the front of the form is required.

Blue & Gold Banquet Help Needed!!

We REALLY need a Blue & Gold committee chair and more B&G committee members soon! The annual banquet is Feb. 26th and it's best to start planning early. If you like planning parties, here's your chance! It's not a big task if we get enough help and we have info from past banquets to help in the planning. Let me know if you can help!

Family Camping at Jordan Lake – Parkers Creek - Site #256

We had an abbreviated “camp out” in late October. It was definitely a strange situation with a statewide burn ban on and pouring rain for the 2-3 days before. The weather was perfect for the day Saturday and Sunday and we had a lot of fun. Glad we decided to skip the Friday night!!

Have a Safe & Happy Thanksgiving!!
